Dear Friend,

Now that summer has come to an end, we all look forward to spending time with friends and family during holiday celebrations. Meals on Wheels in Greater New Brunswick is making the necessary preparations to ensure that each of our clients can enjoy this wonderful time of year as well. We are fully engaged with the work that will help our neighbors be able to meet the challenges this fall/winter may present. Meals on Wheels delivers meals to homebound seniors in the New Brunswick, North Brunswick and Highland Park.

Through the ongoing generosity of both organizations and individuals, our group has been privileged to provide this community service for 42 years. Our resolve is to be good stewards of the donations that have been entrusted to this organization and, in doing so, have used the most efficient methods available to maximize the use of those resources. For example, we have one part-time program director, which keeps administrative costs to a minimum. Volunteers, including board members, deliver a hot and a cold meal to each of our clients Monday through Friday. Board members also volunteer their time assisting with many of the organizational responsibilities.

Donations are critically needed for the continuation of this program to assist those who need our help.

We hope that through your donation, you will join us in our sustained effort to fight hunger, to fortify the community, and to dignify the lives of those who are in need among us. Thank you in advance for your charitable and humanitarian spirit.

Very truly yours,

James F. Horvath
