A Tribute to Regina B. Heldrich

A resolution to honor Regina for her extraordinary service to Meals on Wheels in Greater New Brunswick was passed at the board of director's meeting on March 20, 2014. The resolution is a tribute acknowledging her many years as a dedicated volunteer.

Regina Heldrich will be remembered for her thirty years of exceptional service to Meals on Wheels in Greater New Brunswick. She began volunteering in the late 1970's delivering meals to homebound seniors for seventeen years. She was an active member of the board of directors for twenty-one years and President for five years. During that time Regina was instrumental in establishing a sound fiscal base so Meals on Wheels could provide meals for those who needed financial assistance. She presided over the organization as its services expanded. Her leadership ability and guidance on the board of directors in a time of organizational change was invaluable. The board acknowledged her extraordinary service by giving her the title of Director Emeritus when she retired in 2009. Meals on Wheels in Greater New Brunswick will remember Regina Heldrich for her tireless devotion and inspiring service to the homebound seniors in Highland Park and New Brunswick. We will miss her compassion and sensitivity.

Happy Memorial Day!
