More Than a Meal

A few weeks ago, one of our volunteers ,attempted to make a delivery in New Brunswick. The office received the call that there was no answer. We contacted 911 to gain entry. The fire department entered the house. It turned out that the client had fallen. Luckily, she was found in time and has safely recovered. In these moments , we understand the importance of Meals on Wheels. Meals on Wheels , a lifeline and a safety check.

“There are those who give with joy, and that joy is their reward”. Kahlil Gibran
